

Do your students have a **passion for social change**? Do they look at the world around them and believe things can be done differently? **Do they want to make a difference**, **but need encouragement to reach their potential**?

#### IMAGINE....

... if they could learn the leadership, teamwork, and project management skills they need to start their journey as a young activist. **Be the Difference** leadership conference will teach students how to **identify their leadership style**, how to **build a strengths-based team,** and how to **successfully organize and manage any project.** 

#### THEY CAN GET STARTED RIGHT AWAY!

Many students already have the skills they need—*sign them up today to help them discover the possibilities.* 

6th-8th Graders
